- After Jan 3, no name/participant changes will be allowed.

You have the opportunity to purchase travel insurance up until Nov 3, however it does not cover pre-existing conditions (ie. don't have passport ready).

Penalties

- 90 days (Nov 18) or less, prior to departure, the penalty fee is 100% of the trip cost for any cancellations**.
 - **Unless you have travel insurance.
- After Oct 20, there is an additional \$50 cancellation fee per person.

To make your planning easy and stress-free, here are a few reminders:

- Please check passport expiration dates now and renew right away if needed. Passport offices are currently very busy and processing times could take longer than normal. Everyone in your party should have a valid U.S. passport by January 15. Passport must be valid for 6 months beyond the trip stay and must match the name you used to sign up (i.e. Robert vs Bob).
- If you have not supplied us with a T-shirt size yet, give us a call to let us know your size.
- Don't forget to arrive at the airport 2 hours before our flight.

- You will receive your travel documents 2-3 weeks prior to departure. They will include additional info regarding check in, where to get your boarding pass (charter flight does not allow advance boarding passes), and gate number.
- If you'd like to stay near the airport overnight before our flight, specially negotiated Stay n' Fly packages are available from Best Western Plus and Clarion Hotel on Howell Ave, and Crowne Plaza on 13th Street. All include up to 14 days parking and 24-hour courtesy shuttle to and from the airport. If you're interested, please contact Laurie Kleine at Olson Travel – (262) 782-0110 or laurie@olsontravel.com.

If you have any questions about our upcoming trip, please give us a call. Our cell numbers are listed below in case you need to contact us after hours, or in case of an emergency. Otherwise, we look forward to relaxing with you in February.
